

RIS Industry 4.0 Hubs

Interactive online seminar in Greece

11:00 EEST – 14:00 EEST

RIS Industry 4.0 Hubs EIT Manufacturing project

- The project assists manufacturing SMEs and start-ups from RIS countries in their digital transformation in post-crisis transition, their engagement in networks for digitalized manufacturing as supply-chain partners and will contribute to the development of local ecosystems in RIS countries.
- Seminars, preceded by an open call for applicants, will be organized in six RIS countries (Poland, Czech, Lithuania, Slovakia, Estonia and Greece) in local languages
- Project Duration: *1 January 2021 – 31 December 2021*
- Project url: *www.ris-i40.eu*
